- **IMPORTANT:** Please quote either the three digit code followed by your member number or the exact invoice number when making payment for our reference purposes (e.g. 999 1234).
- Failure to supply both a reference when making a BACS payment and a remittance to the Accounts Department could result in a payment being unallocated on our system and subsequently the member unfortunately missing out on the course.
- If you experience any problems in providing us with a reference in the correct format, such as available characters on the members online bank facility please contact the Accounts Department before making any payment to discuss alternative references.
